Turning Concern into Action

HOLY ISLAND CAMP

SVP Vinnie Camps have a wonderful heritage: for 100 years they have provided safe, inclusive and caring holidays for children in need of a break. Vinnie Camps are staffed by around 500 dedicated and caring volunteers, offering a high ratio of adult-to-child supervision. This means that each and every child receives a great deal of time and positive attention, perhaps more than some have ever known before. Summer holidays offer, first and foremost, fun and enjoyment. But they also provide an opportunity for respite, new learning experiences and personal growth.
